Modified Endowment Contract Disclosure Statement

The Technical and Miscellaneous Revenue Act of 1988 created a new class of life insurance contracts known as Modified Endowment Contracts. The principal purpose of this law was to restrict the use of life insurance as an investment. The law accomplished this by limiting the amount of premium that is allowed to be paid into a life insurance contract. The allowable amount of premium is dependent on the death benefit. If the calculated premium limits (defined in TAMRA 1988 code section 7702A) for a life insurance contract are exceeded, the life insurance contract becomes a Modified Endowment Contract.

The plan of insurance as illustrated for you exceeds the calculated allowable premium limits and would therefore be considered a Modified Endowment Contract. A policy that is a Modified Endowment Contract has the following implications for you:

- 1) Money distributed from a Modified Endowment Contract by cash distributions, withdrawals, loans, or assignments, will be considered taxable income until all gain, if any, has been distributed.
- 2) The taxable income amounts will also be subject to a 10% penalty tax unless you have attained age 59 1/2, become disabled, or you annuitize the entire cash value. (If the policy owner is a corporation, such proceeds are subject to the 10% penalty tax at any time).
- 3) Death benefits of Modified Endowment Contracts paid to any named beneficiary are treated as life insurance proceeds and therefore are not subject to income tax.

I acknowledge that I have read this disclosure statement and understand that the plan of insurance illustrated is a Modified Endowment Contract and therefore subject to special tax treatment as outlined above.

of my account listed above to an Assurity Life Insurance Company Annuity. I am aware of and accept any surrender or withdrawal penalties that may be applied and request that proof of any such penalties be provided with the proceeds.

Assignment statement: I hereby assign all rights, title and interest in the above contract/policy, or the portion thereof indicated above if this is a partial exchange, with the above company to Assurity Life Insurance Company, in consideration of Assurity Life Insurance Company's agreement to issue its own contract on me. The new contract issued by Assurity will show a purchase payment equal to the value transferred to Assurity. I understand that if for any reason the existing insurance carrier issues a check for the original contract directly to me, I am obligated to endorse such check to Assurity only and to deliver such check to Assurity.

Notice regarding partial 1035 exchanges and exchanges to existing contracts: Partial exchanges with subsequent withdrawals or annuitizations may be subject to IRS challenge if entered into for the purpose of avoiding premature withdrawal or other penalties. Also, the Internal Revenue Service has not issued guidelines regarding the apportionment of basis between contracts involved in partial exchanges. Until such guidance is issued, Assurity will utilize a pro-rata formula for such apportionment. While Assurity believes this will be consistent with any IRS guidelines ultimately issued, these guidelines could mandate a different allocation method. Exchanges into existing contracts should be approached cautiously, and only after consultation with a tax advisor, since the IRS has not yet issued definitive guidance regarding the permissibility of such exchanges.

Surrender direction: This is intended to be a nontaxable exchange under Internal Revenue Code section 1035. By signing this form, I hereby direct the current institution to surrender my contract/policy (or to process a partial surrender or withdrawal if this is a partial exchange) and to transfer the proceeds directly to Assurity .

Please liquidate and transfer, All \$ _____ _____ %

of my account listed above to an Assurity Life Insurance Company Annuity. I am aware of and accept any surrender or withdrawal penalties that may be applied and request that proof of any such penalties be provided with the proceeds.

Assignment statement: I hereby assign all rights, title and interest in the above contract/policy, or the portion thereof indicated above if this is a partial exchange, with the above company to Assurity Life Insurance Company, in consideration of Assurity Life Insurance Company's agreement to issue its own contract on me. The new contract issued by Assurity will show a purchase payment equal to the value transferred to Assurity. I understand that if for any reason the existing insurance carrier issues a check for the original contract directly to me, I am obligated to endorse such check to Assurity only and to deliver such check to Assurity.

Notice regarding partial 1035 exchanges and exchanges to existing contracts: Partial exchanges with subsequent withdrawals or annuitizations may be subject to IRS challenge if entered into for the purpose of avoiding premature withdrawal or other penalties. Also, the Internal Revenue Service has not issued guidelines regarding the apportionment of basis between contracts involved in partial exchanges. Until such guidance is issued, Assurity will utilize a pro-rata formula for such apportionment. While Assurity believes this will be consistent with any IRS guidelines ultimately issued, these guidelines could mandate a different allocation method. Exchanges into existing contracts should be approached cautiously, and only after consultation with a tax advisor, since the IRS has not yet issued definitive guidance regarding the permissibility of such exchanges.

Surrender direction: This is intended to be a nontaxable exchange under Internal Revenue Code section 1035. By signing this form, I hereby direct the current institution to surrender my contract/policy (or to process a partial surrender or withdrawal if this is a partial exchange) and to transfer the proceeds directly to Assurity .

IMPORTANT NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE

Our agent is recommending to you that you purchase a life insurance policy from us. In connection with this purchase, you have indicated either as a result of his recommendation or at your own initiative, that you may terminate or change your existing policy issued by another insurance company or that you may obtain a loan from that company against your policy to pay premiums on the proposed policy. Any of these actions is a replacement of life insurance. This notice must be given to you. Please read this notice.

Whether it is to your advantage to replace your existing insurance coverage, only you can decide. It is in your best interest; however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and of your existing insurance coverage.

To this end, we are required to give you a Policy Summary including complete information on the proposed policy no later than when that policy is delivered to you. In addition, we are required to notify the insurance company that issued your existing policy. That company may then furnish you with additional information concerning your existing policy. You may want to contact that company or its agent for further information and advice or discuss your purchase with other advisors. The information you receive will be of value to you in reaching a final decision.

If either the proposed policy or the existing insurance you intend to replace is a participating policy, you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should also recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could contest the policy because of a material misstatement or omission on your application, or deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options, which are not available under the policy being proposed to you, or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages, which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including unpaid interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have received your application and notified the other insurance company you have twenty days from the date the proposed policy is delivered to you to cancel the policy issued on your application and receive back all payments you made to us.

CAUTION

If, after studying the information made available to you, you decide to replace the existing life insurance with our life insurance policy, you are urged not to take action to terminate or alter your existing life insurance coverage until after you have been issued the new policy, examined it and have found it to be acceptable to you. If you should terminate or otherwise materially alter your existing coverage and fail to qualify for the life insurance for which you have applied, you may find yourself unable to purchase other life insurance or able to purchase it only at substantially higher rates.

I have received and read a copy of this Replacement Notice.
