The Jefferson Pilot OptiPoint Flexible Premium Deferred Annuities (Policy Form 94-526, or state variation) are issued by Jefferson-Pilot Life Insurance Company, Greensboro, NC and may not be available in all states (may be referred to as "equity indexed annuities" in certain states). The policy may be subject to a Market Value Adjustment.

Policy may be referred to as "certificate" in certain states. The certificate is a group annuity certificate issued under a group annuity policy issued by Jefferson-Pilot Life Insurance Company to a group annuity trust.

The Jefferson Pilot OptiPoint annuities are not registered securities or stock market investments and do not directly participate in any stock or equity investments.

If you are considering placing an annuity in an IRA or other tax qualified plan, which are already tax-deferred, you will receive no additional tax advantage from the annuity. Therefore, in considering whether or not to purchase such an annuity, you should only consider the annuity's other features, including the availability of lifetime payments and death benefit protection.

This is a summary description of the JPF Opti 8 annuity. State variations may apply. The exact terms of the annuity are contained in the policy and any attached riders, which will control Jefferson-Pilot Life's contractual obligations.
